

TEXAS CHILI COOK-OFF

Here is an opportunity for cooks, sous chefs, marketers and trivia experts to combine their skills and present the best "Bowl of Red" to the judges in one of the few teambuilding activities you can eat – **TEXAS CHILI COOKOFF**. Texas is synonymous with chili. It's the heat. The many cultures and regions of Texas have each added gifts to the chili pot, which have enhanced it to the Official State Dish of Texas.

Each team will be given the same basic ingredients and utensils to make a boring pot of chili. *Bubba's General Store and Bait Shop* will be stocked with additional spices and ingredients to make a great pot of chili. In order to purchase ingredients, team members will play games from *Bubba's Backyard Midway* for coupons to redeem at *Bubba's General Store and Bait Shop*. Simultaneously, some team members will create a chili name and logo to be displayed at the team kitchen, while others will test their knowledge with Texas and Chili Trivia.

The chili will be judged in a blind taste test with no less than three judges. Our staff can provide judges or clients may use their own "celebrity" judges. Just make sure there is a steady supply of beverages! The winning team will receive fabulous cash prizes (Texas Lottery tickets) and since there's never a loser in the **TEXAS CHILI COOKOFF**, the last place team will receive Pepto Bismol, to help ease the pain.
