

DJs... ...Trick Ropers... ...Tattoos

No party is complete without music. We offer a full range of **SINGERS, BANDS, MUSICIANS** and **DISC JOCKEYS**. We have Swing Bands and Dance Bands for guests who like to scoot a boot. For serenading, we have Mariachi Bands and Quartets. We have full Stage Bands for large parties or Duos and Trios for smaller parties. We can provide DJ's to keep the music going all night, to make announcements and even provide karaoke. If you have music needs, we can fulfill them.

For completely awestruck party goers, a **TRICK ROPER** is classic cowboy entertainment that keeps the Wild West alive. There are no "trick ropes" here; our TRICK ROPER uses the real thing – the same ropes used on live cattle. Performances can be done from the stage, strolling among the guests or on the back of a horse.

For those guests who want to walk on the wild side, **TEXAS TATTOOS** are available. They are airbrushed, of course, for that permanent tattoo look without the commitment of a lifetime with a longhorn on your arm. Custom tattoos can be created with your company's logo.
