

I'M WITH THE BAND

In order for a band to be successful, the entire crew has to work together. **I'M WITH THE BAND** Team Building takes teams through some of the ups and downs of becoming a hit-making musical act.

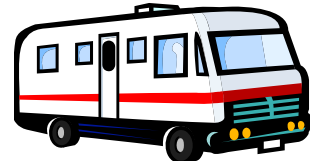

Teams can be pre-selected before the event, chosen at the event by pre-selected Band Leaders or selected at random. **I'M WITH THE BAND** Team Building is most effective with teams containing fewer than a dozen participants per team. The more participants in the overall group, the more teams are created.

Once the teams are established and they will have an opportunity to choose a Band Leader, choose a Band Name and write a short bio for the band. Teams will then proceed to play games that parallel the life and times of a chart-topping band.

- *Drive to the Dive* takes the band on routing dates throughout Texas in some of the more obscure, yet legendary dance halls and honky-tonks.

- Every band knows they're 'this close' to making it big when they upgrade from sleeping in the Good Times van to parking the RV in the Wal Mart parking lot in *Big Time Bus Tour*.

- The band has been nominated for a Grammy, so they can afford to take to the skies for a *National Tour* – just make sure the plane lands safely so there's no Buddy Holly incident.

- To keep all the band members reminded of their roots, *Texas Trivia* tests their knowledge of all things Texas.

Good times and laughter flow like the Jack Daniels on the hospitality rider when team members work together to complete the tasks. And, if anyone asks why you're loitering around the green room, you can just say, "**I'M WITH THE BAND.**"
