

TEAM BUILDING

To build a team in Texas you need the creativity of Tex Schramm, the patience of Tom Landry and the fun loving spirit of Dandy Don Meredith. With that in mind, we have put together unique **TEAM BUILDING** options for real Texans and visiting Yankees alike, with real Texas sized fun built into every challenge.

Teams can be pre-selected before the event, chosen at the event by pre-selected captains or selected at random. Once the teams are established and each team has chosen a Team Captain and a Team Name, the **TEAM BUILDING** fun begins.

Some of the **TEAM BUILDING** options we offer are:

- *The Bubba Games* – Teams move as a group from game to game, encouraging one another while adding points to the scoreboard in *Bubba's Backyard Midway Games* such as *Redneck Horseshoes*, *Shoot the Can*, *Barn Building* and *What the Hay*.
- *It's About Time* - Using stopwatches as the teams' only equipment and participating in exercises that test teams' internal clocks, teams play such games as *Deadline*, *Just a Quick Introduction*, and *I Can Only Give You a Minute*, and find out exactly how well they manage their time in this one-hour competition.
- *Fly the Friendly Skies* - With balsa wood airplane kits and paper for making paper airplanes, teams compete in games such as *Touch and Go*, *Smooth Landing* and *Stewardess Shuffle* in a team building event that uses the skills they've learned at 20,000 feet and is sure to get team spirit soaring.
- *Texas Burger Cookoff / Texas Chili Cookoff* – In team building activities you can eat, each team will be given the same basic ingredients to make a boring burger or boring pot of chili. While some team members are tasked as chefs, the remaining team members will compete in *Bubba's Backyard Midway Games* to earn tickets to purchase additional ingredients from to enhance the burger or chili. Judges for the final product can be chosen from the attendees or provided by our staff.
- *Project Runway: Cowboy or Bubba Edition* - This is an exercise that combines the frivolity of *Bubba's Backyard Midway* with the creativity challenge of the hit show, "Project Runway," and the laughter and show elements created from an episode of "America's Next Top Model." Each team will receive a box of tools, materials, clothing and "bling" from which they will create two costumes: one for a male model and one for a female, while playing *Bubba's Backyard Midway Games* to earn coupons to purchase extra materials and tools to enhance their creations and to add some signature style to the costumes. The creativity of the group really shines during the runway portion of the competition.

Good times and laughter build teams much faster than brain teasers and ropes courses. Our **TEAM BUILDING** options provide an event that is fun and interesting, and unlike anything your group has done before.
