

THE BUBBA GAMES

To build a team in Texas you need the creativity of Tex Schramm, the patience of Tom Landry and the fun loving spirit of Dandy Don Meredith. With that in mind, we have put together **The Bubba Games** Team Building for real Texans and visiting Yankees alike, with real Texas sized fun built in to every challenge.

Teams can be pre-selected before the event, chosen at the event by pre-selected captains or selected at random. **The Bubba Games** Team Building is most effective with teams containing fewer than a dozen participants per team. The more participants in your group, the more teams are created.

Once the teams are established and have chosen their Team Captain and a team name, each team member will have an opportunity to play one or more games from *Bubba's Backyard Midway*. Games such as *Cow Chip Shuffleboard* and *Justin Time Putting* highlight the team members whose favorite pastimes are cruises and golf. Find out the real Bubbas in the group with

Redneck Horseshoes and *Snuffleboard*. Even those team members who aren't very athletic have opportunities to excel with *East Texas Lawn Washers* and *Texas Trivia*. Team rankings in each game are displayed on a scoreboard for everyone to see. At the end of the games round, the Team Captains can attempt to move ahead of the pack in one final competition – *Armadillo Racing*.

Good times and laughter build teams much faster than brain teasers and ropes courses. **The Bubba Games** provide a Team Building that is fun and interesting, and unlike anything your group has done before.
