

PETTING ZOO

Treat your city guests to a “life on the farm” experience with a **PETTING ZOO**. Miniature goats, rabbits, pot-bellied pigs and miniature horses are adorable and fun for kids of all ages. From birthday parties to festivals and fairs, petting zoos and pony rides make the event even more memorable.

The small **PETTING ZOO** is contained within a 12' x 15' space and contains 12-15 small animals such as rabbits, pot-bellied pigs, miniature goats and exotic chickens.

The large **PETTING ZOO** requires a 20' x 20' space and contains over 25 animals. Miniature horses, miniature zebu cows, miniature donkeys, a llama and even a lemur are among the gentle animals included.

Most **PETTING ZOO** events are outdoors, but accommodations can be made for indoor events, as well. Attendants are knowledgeable and safety conscious, and hand sanitizing stations are provided.
