

OLD WEST QUICK DRAW

Have you ever wished you could strap a gun to your guests and tell them to draw?

Well, now you can with **OLD WEST QUICK DRAW!**

Our **OLD WEST QUICK DRAW** gunslingers will assist your guests as they strap on a handmade leather holster with a replica of the single action .45 caliber revolver used in the old west. After being coached in a brief safety session by the cowboy in the white hat, it is time to stare down the bad guys. Our **OLD WEST QUICK DRAW** gunslingers will time your draw down to the hundredth of a second. Your fastest guests will make it on the **OLD WEST QUICK DRAW** scoreboard and given a gunfighter's nickname. Your slower guests will be declared as "Boot Hill Bound."
